47 13 deemed of immediate importance, takes effect upon enactment.

47 14 EXPLANATION

47 15 This bill makes technical and corrective changes to the law  
47 16 relating to elections and voter registration.

47 17 Code sections 2.27, 43.77, and 69.8 are amended to reflect  
47 18 the 1988 amendment to the Constitution of the State of Iowa  
47 19 requiring that the governor and lieutenant governor be elected  
47 20 jointly and to specify that a vacancy in the office of  
47 21 lieutenant governor is to be filled by appointment by the  
47 22 governor and the appointment is for the balance of the  
47 23 unexpired term.

47 24 Code section 8A.412 is amended to add professional  
47 25 employees under the supervision of the secretary of state to  
47 26 the list of employees exempt from the merit system.

47 27 Code section 43.4 is amended to require that the county  
47 28 commissioner of elections (county auditor) retain caucus  
47 29 records for 22 months. The Code section is further amended to  
47 30 require the chairperson of the county central committee,  
47 31 within 14 days after the date of the precinct caucus, to  
47 32 deliver to the county commissioner all completed voter  
47 33 registration forms received at the caucus. Current law  
47 34 provides that it is election misconduct in the third degree, a  
47 35 serious misdemeanor, if a party committee member neglects to  
48 1 perform a statutory duty relating to a precinct caucus. A  
48 2 serious misdemeanor is punishable by confinement for no more  
48 3 than one year and a fine of at least \$315 but not more than  
48 4 \$1,875.

48 5 Code section 43.5 is amended to add Code chapter 39A,  
48 6 relating to election misconduct, to the list of Code chapters  
48 7 applicable to primary elections.

48 8 Code sections 43.26 and 49.42A, which illustrate the format  
48 9 of the official primary and general election ballots, are  
48 10 repealed. New Code sections 43.31 and 49.57A are enacted to  
48 11 require the state commissioner of elections to adopt  
48 12 administrative rules implementing ballot format and printing  
48 13 requirements.

48 14 Code section 44.5 is amended to provide that a hearing on  
48 15 an objection to a nomination shall be held not later than one  
48 16 week after the objection is filed.

48 17 Code section 45.1 is amended to specify signers of  
48 18 nomination petitions for elective offices are required to be  
48 19 eligible electors who reside in the applicable county or  
48 20 district.

48 21 Code section 47.6 is amended to require that the text of a  
48 22 public measure to be submitted at election to the voters of a  
48 23 school district or merged area must be submitted to the county  
48 24 commissioner of elections no later than 5:00 p.m. on the 46th  
48 25 day before the election.

48 26 Code section 48A.2 is amended to specify that the voter

48 27 registration form may be used to make changes in an existing  
48 28 registration record in addition to being an application to  
48 29 register to vote.  
48 30 Code section 48A.8, relating to registering to vote by  
48 31 mail, removes the reference to "mail registration form". The  
48 32 same voter registration form is used whether or not a person  
48 33 is registering by mail or in person.  
48 34 Code section 48A.25A is amended to comply with the federal  
48 35 Help America Vote Act requirement that identification numbers  
49 1 on all voter registration applications, not just those  
49 2 received by mail, be verified. The section is further amended  
49 3 to provide that if the identification information cannot be  
49 4 verified, the registration will be recorded as pending, and  
49 5 the voter will be notified that the voter must present  
49 6 identification before voting for the first time in the county.  
49 7 These requirements do not apply to election day registrants or  
49 8 in-person absentee registrants.  
49 9 Code section 48A.26 is amended to provide that the  
49 10 commissioner of registration (county auditor) shall send an  
49 11 acknowledgment of receipt of voter registration or a change of  
49 12 information in a voter registration record within 45 days of  
49 13 receipt of the form or change of information if the form or  
49 14 change of information was submitted at a precinct caucus.  
49 15 Code section 48A.26 is also amended to provide that if an  
49 16 incomplete registration form is received by the commissioner  
49 17 after registration closes but by 5:00 p.m. on the Saturday  
49 18 before the election for primary and general elections or by  
49 19 5:00 p.m. on the Friday before the election for all other  
49 20 elections, the commissioner shall notify the applicant of  
49 21 election day and in-person absentee registration procedures.  
49 22 Code section 48A.27 is amended to require the commissioner  
49 23 to send an acknowledgment of change of address information  
49 24 received from the United States postal service to the new  
49 25 address only. Current law requires that the acknowledgment be  
49 26 sent to the former and new addresses. This section of the  
49 27 bill takes effect upon enactment and applies to notices mailed  
49 28 on or after the effective date.  
49 29 Code section 48A.31, relating to purging the names of  
49 30 deceased persons from voter registration lists, is amended to  
49 31 delete language referring to the process that was in place  
49 32 prior to implementation of the statewide voter registration  
49 33 system maintained by the secretary of state and also requires  
49 34 the county commissioner to run the state's matching program  
49 35 for the list of deceased persons in the month following  
50 1 receipt of the list from the department of public health.  
50 2 Code section 48A.37, relating to electronic voter  
50 3 registration records, is amended to define "incomplete  
50 4 records" as those registration records missing information  
50 5 required to be included on the voter registration form. The  
50 6 section is further amended to provide that an incomplete  
50 7 record shall be made an active record when a completed form is  
50 8 provided and the information verified.  
50 9 Code section 48A.38 is amended to require the state  
50 10 registrar of voters to update voter participation information  
50 11 no later than 60 days after each election.  
50 12 Code section 48A.40, relating to voter registration reports  
50 13 required to be filed with the state registrar by the county  
50 14 commissioner of registration, is repealed because the reports  
50 15 are no longer necessary due to implementation of the statewide  
50 16 voter registration system maintained by the secretary of  
50 17 state.  
50 18 Code section 49.25 is amended to eliminate the requirement  
50 19 that voting booths be approved by the board of examiners for  
50 20 voting systems. Code sections 49.25 and 49.26 are amended to  
50 21 remove duplicate language referring to those elections at  
50 22 which the commissioner may determine whether ballots will be  
50 23 counted by hand by election precinct officials or by automatic  
50 24 tabulating equipment.  
50 25 Code section 49.43 is amended to remove the requirement  
50 26 that ballots containing public measures shall be printed on  
50 27 other than white paper in those precincts using hand-counted  
50 28 paper ballots.  
50 29 Code section 49.53 is amended to provide that the minimum  
50 30 font size for published ballots shall be nine point type,  
50 31 rather than the current 90 percent of font size.  
50 32 Code sections 49.57, 49.84, and 50.48 are amended to make  
50 33 reference to the statutorily defined term "automatic  
50 34 tabulating equipment" rather than electronic tabulating  
50 35 equipment or vote tallying system.  
51 1 Code section 49.57 is also amended to remove the  
51 2 requirement that the words "Official ballot" be printed on the

51 3 ballot in such a way as would allow them to be shown to an  
51 4 election official without revealing any of the marks made by  
51 5 the voter.

51 6 Code section 49.77 is amended to provide that the state  
51 7 commissioner of elections (secretary of state) shall prescribe  
51 8 by rule the types of identification that can be presented by a  
51 9 voter when the voter is unknown to the precinct election  
51 10 official.

51 11 Code section 50.15A is amended to require the state  
51 12 commissioner to report in the unofficial canvass the total  
51 13 number of ballots cast at the general election.

51 14 Code section 50.24 is amended to require the county board  
51 15 of canvassers (board of supervisors), when canvassing the vote  
51 16 after an election, to also certify the election canvass  
51 17 summary report prepared by the county commissioner of  
51 18 elections. Code section 50.30 is amended and new Code section  
51 19 50.30A is enacted to require the commissioner to forward the  
51 20 abstracts of votes and summary report to the state  
51 21 commissioner of elections within 13 days after each primary  
51 22 and general election.

51 23 Code sections 50.24 and 50.39 are amended to strike the  
51 24 requirement that the abstract of votes state its required  
51 25 information in words "written at length".

51 26 Code section 51.15, relating to double counting boards, is  
51 27 amended to specify that the chapter applies to elections in  
51 28 which paper ballots are to be counted by hand by the precinct  
51 29 election officials.

51 30 Code section 52.23 is amended to require that a copy of the  
51 31 printed results from each automatic tabulating device be  
51 32 signed by precinct election officials and attached to the  
51 33 precinct tally list and that the printed results shall reflect  
51 34 all the votes cast in the precinct.

51 35 Code section 52.25 is amended to provide that the entire  
52 1 text of a public measure, including measures related to the

52 11 ballots shall be printed using black ink on white paper.

52 12 Code section 52.29 is amended to conform to current law  
52 13 regarding the requirement that one sample ballot be posted  
52 14 prominently in each precinct. The section is also amended to  
52 15 provide that if an office or public measure is printed on the  
52 16 back of the ballot, both sides shall be displayed.

52 17 Code section 53.2 is amended to provide that the party  
52 18 affiliation of a voter requesting an absentee ballot will be  
52 19 changed at the time the request is recorded on the  
52 20 registration record if the ballot requested is for a party  
52 21 other than the voter's current party affiliation or  
52 22 declaration. The Code section is amended to provide that if a

52 26 ballot of the party indicated on the registration record.

52 27 Code section 53.2 is further amended to provide that if an  
52 28 absentee ballot request is received from a person who is not  
52 29 registered to vote, the commissioner shall send a voter

52 31 to the person, rather than sending a registration form and an  
52 32 absentee ballot. The Code section is further amended to  
52 33 provide that if the absentee ballot request of a person not  
52 34 registered to vote is received after registration closes but

53 1 and general elections or by 5:00 p.m. on the Friday before the  
53 2 election for all other elections, the commissioner shall, by

53 23 because the federal application form does not include a space  
53 24 for that information.

53 25 Code section 53.53 is amended to conform to a federal court  
53 26 ruling that if the absentee ballot application of an overseas

54 33 the election in order to avoid the deadline falling on a  
54 34 Saturday.

55 1 charters, is amended to change the filing deadline for  
55 2 submission of the charter at a general election to no later
